Matthew,

Just get it done before you go to the lab.

Good luck,

Thomas Chiou

Subject: AER E 322 Section 4 Group 2 Lab 8 Prelab Extension Request

Dr. Chiou and Alex:

I have had a very busy week with an AER E 355 exam, work, and several things going on in my personal life. I am working as fast/hard as I can on the Lab 8 Prelab, but I have a 3-hour group meeting yet tonight, and I know I will not have enough time to put together a quality prelab. Could I request an extension for just a few hours? I am sure I can finish this by 3:00 a.m. (and most certainly before my lab tomorrow), but I will not be able to complete it adequately by midnight.

Thank you kindly,

Matthew Mehrtens
